measures.

As a climax, Professor Anderson presented the Father of His Country as a loyal worshiper of God, and of exemplary moral character.

In the course of his speech Professor Anderson paid his respects to the misuse of Washington's birhday for the presentation of the hobbies of various orators and for an attack on our institutions. There is still enough about Washington fresh and inspiring that can be said, and on Washington's birthday Washington should be the theme.

But James Jackson Was Nabbed and His Elbow Was Unfastened.

James Jackson, colored, who was released from jail yesterday morning. was rearrested in the afternoon. He was walking down by the Old Market when he spied a big turkey hanging on the hook of one of the stalls. walked around the stall several times until the temptation became too great. James snatched the fowl and several bunches of onions with which to dress

it.

When he was taking a very hurried leave the keeper of the stall discovered his loss, and after running several blocks managed to stop James and get back his turkey. While pulling strönuously to get away with the bird, Jackson's elbow was pulled out of place. He was carried to the station house, where Dr. Turman, in charge of the ambulance, fixed him up.
